Royall High
School
Elroy, Wisconsin

We invite you to move "One Step Closer" as we review the 1985-86 school year at Royall High.

It was a year of change and of tradition, of friendship, of pride in our school and ourselves. "One Step Closer" is a pictorial history of who we were and what we did that school year, as we moved toward becoming who we wanted to be.

Our triumphs were many as we climbed toward academic growth and personal success. And our struggles brought us closer together for the brief, busy time we shared.

Look back with us down the path we all once looked toward as the future.

Changes In Faculty Help Teachers And Students

Over the past two years there have been many changes in the Royall Faculty. This year has been no exception. Principal Gary Rooney, who was new last year, was replaced by Marvin Runyon. Gloria Guichard took over the Health Careers class from Becky Goodman, school nurse. Kathy Stapleton replaced Sandy Schulenburg and Roger Kalodrich for Journalism, English 12, and Reading

classes. Maynard Miller is the newest member in the Business department.

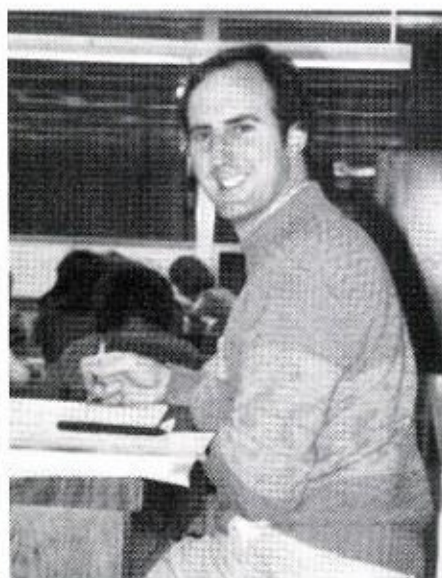

There were some minor changes in class locations. The Publications room which was next to the office, was moved upstairs. The computer lab is now next to the office. Mr. Sulik and Mr. Board exchanged rooms, which put Accounting class on the academic wing, and Mr. Sulik's class next to the typing room.

People Behind The Scenes

Typewriters pounded, questions thrown from corner to corner, and project after project in progress. Publications class keeps busy.

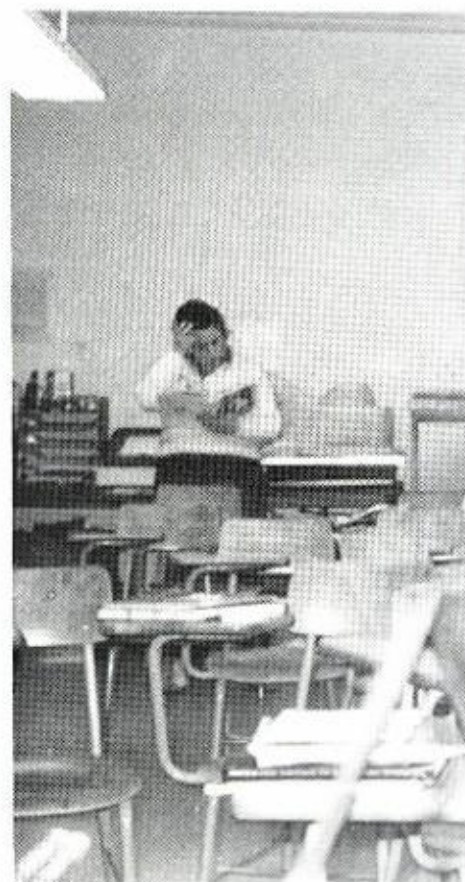

This was a year of change for Publications. Work space was relocated upstairs into room 22, sharing space with English classes which led to cramping.

Personnel changes had a major impact as a new advisor, and mostly inexperienced staff members learned the ropes of fundraising and production.

Around The World

The main objective of the AFS club this year was to encourage Royall students to go abroad and host exchange students at Royall. Their second objective was to encourage Royall students to expand their horizons through travel and new experiences. They began to accomplish these goals with a trip to the Twin Cities in the fall, where they toured a renovated mansion area and the University of Minnesota, and saw a play. After the experience of big city life, the club made plans for spring canoe trips in order to explore the great out-of doors.

Student Government

Dances, fundraisers, and spirit week kept Student Council very busy this year. In the fall they attended a workshop at Richland Center where they learned activities such as organization of the school's government and ways of improving the school.

They put on the annual fall Homecoming activities and dance with the Senior class. A mix up with the D.J. at Homecoming entitled the Student Council and Senior class to free D.J. services which they put to use in January on the Turnabout dance.

They also, for the first time, sold carnations for Valentines Day. It was a success, and they will probably do it again next year.

Home Pride

Future Homemakers of America this year met and discussed the different careers that the members were interested in, in the Home Economics related fields.

This year they sold candy, for a fundraiser. The money earned went toward sending four representatives of the club to the District Conference Convention in Green Bay. At one convention Kim Rains took fourth place by reciting the FHA creed.

In order to join this group members paid a \$5.00 due. They said it was well worth the cost to be in this group; celebrating its 40th anniversary this year. Officers were: President, Denise Wilde; V. President, Kim Rains; Treasurer, Barb Pasch; Secretary, Karrie Kledehn.

Bulls Eye

An archery club has been added to Royall's extracurricular activities. This year the advisors were Principal Runyon and Mr. Melbostad. The club had thirty-five members. Most of which were boys.

Some members involved themselves in a car painting fundraiser at Mark Rudig's in Mauston. The club raised fifty dollars for new targets, one of which was donated to them by a sporting good store.

Archery met only twice as of March due to unavailability of facilities.

Well Spoken

Forensics unfortunately had very little student participation in 1986 probably because it involves memorization and speaking ability-just plain hard work.

Participants choose their own performance subjects whether it be poetry, solo play acting or prose reading.

To prepare for the season, the team attended a forensics conference at UW-LaCrosse. Advisors Kueppers and McHenry said "The convention was a great help"; students learned performance techniques.

The 1986 Mock Trial team of Amy Preuss, Carole Milne, Amber Houzner, Kathy Bradley, Jeanne Beres, Kim Schachtely, Scott Vieth, and Julia Wolfgram had its day in court. Mock Trial teams compete against other schools doing preliminary state case hearings. Circuit county judges or lawyers judge each team according to their ability to prosecute and defend the case which they are presenting.

The Royall Mock Trial team has two coaches, Mr. McHenry and Elroy attorney William Jefferson. The coaches help the team prepare the material needed to win each case.

The Royall Mock Trial team participated in local competition against Almond High School at Wisconsin Rapids. They succeeded in overpowering them which advanced Royall to Appleton to compete in the Sub-Regionals against Berland, Green Bay, and Neenah High Schools. They were defeated there, and disqualified from further competition. Royall High School can be proud of the 1986 Mock Trial team for giving their all.

The Friendly Greeters

Have you ever wondered who those people handing out programs at school functions are? They're the 1985-86 usherettes. The eleven girl club led by Mr. Miller had many jobs this year, such as handing programs at basketball games, helping parents find teachers at parent-teacher conferences, and helping with senior graduation.

At the end of the year they schedule a well-deserved shopping spree in LaCrosse. They earn money for this from having bake sales.

The Usherettes help to welcome people to the school, and get satisfaction from providing their valuable service.

The Pride Of America!!!

Many activities went on in Mr. Brandt's Future Farmers of America class room throughout the year. The class listened to a speaker every month. The speakers this year spoke about electrical safety and the many different careers in the field of Agriculture.

They also sponsored National FFA Week at Royall. The members put on a pancake breakfast, participated in basketball games with other schools, put up a bulletin board, and offered special bargains on FFA shakes.

The annual award banquet was April 8th. Students were awarded for excellent speeches and hard work they performed throughout the year. This year's guest speaker at the banquet was Rick Dado, the Wisconsin FFA President.

Class officers were: President: T. Sebranek; Vice President: T. Schmidt and R. Brock; Treasurer: M. Gruen; Secretary: K. Witt; Parliamentarian: R. Thorsen; Reporter: E. Schmidt Sentinel: S. Lee

Choir Notes

The freshman and acappella choirs sponsored a dance marathon to raise funds for the season's needs. A synthesizer was purchased first with proceeds from the marathon. Crystal jewelry was sold to cover the expenses of a class trip.

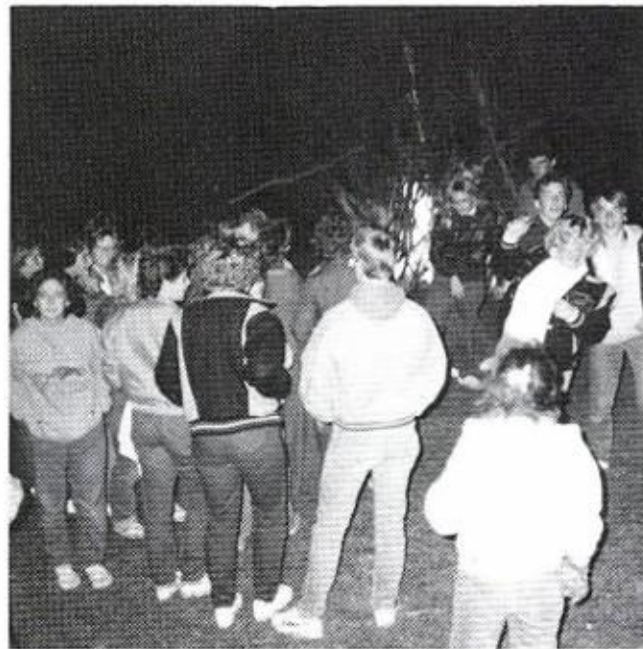

In the fall, the choirs held a hay ride to attract new members, and the attendance was high.

Performances this year by the two groups began in the fall with the fall concert. There was an excellent crowd. In the mid-winter they gave a concert which was attended well in spite of difficult weather conditions. In the spring the choirs participated in a festival: district contests held at Weston. The Royall choirs received a first place award out of four.

Panther Bands

After returning from an exciting early summer trip to New York City the Royall band members were ready to get started on their fall marching season. The marching band began the season by playing in football halftime shows and marching in many area parades. The marching band ended the marching season with the annual high school Homecoming parade and halftime festivities.

Soon after the marching season was over the concert band was practicing in full force for their fall and winter concerts. The year's highlight for the music department was Festival at Weston High School on March 8, 1986. The concert band received a first rating in Class A competition.

Many concert students are also involved in pep band. Being a pep band member means being at all pep assemblies, and home basketball games.

Near the end of the year the band seems to take a slower pace, having only Pops Concert and graduation to perform for. This year's Pops Concert will feature the sounds from the big band era of the 1940's and 1950's.

Solo & Ensemble

On May 3, 1986 a group of Royall musicians comprising 22 events attended the State Solo and Ensemble competition in Madison, WI. Eleven events received first ratings, five events received second ratings, and two events received third ratings. According to Mary Beth Stanek, Music Director at Royall, everyone who participated in events, no matter what rating they received, gave their all.

Despite Many Injuries Team Still Does Well

The 1985 freshman football team did not have a successful season according to the statistics. The twenty-two players under the coaching of Joe Vitcenda concluded their season with a record of 0-6. However, despite the disappointing record many individuals gained valuable playing experience which will be very useful in the years ahead.

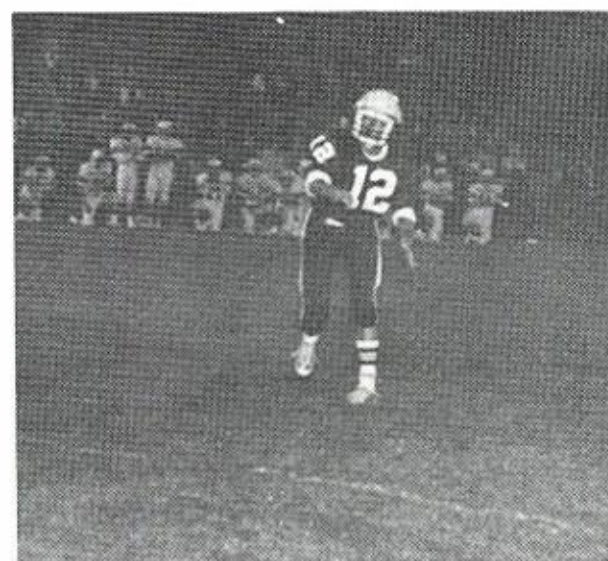

Considering some of the complications the junior varsity team faced, their efforts were still productive. A decrease in the number of players and the lack of opportunity to practice had a great impact on the outcome of the team's season. Working under Coach Jack Sulik the junior varsity team pulled out a 4-3 record for the year.

Some of the season's worst weather conditions made Panther football difficult for both the spectators and players to enjoy. Even though the weather didn't cooperate, the effects of a four game winning streak kept the momentum of the Panthers going strong. The varsity season was filled with ups and downs. A 52-6 victory over Bangor on Parents' Night was one of the highlights, while a loss to Cashton on Homecoming was the largest letdown of the season. The team, under the instruction of Head Coach Jack Sulik along with Assistant Coaches Dan Delong and Tom Hodson, finished the year with a 5-4 record.

Royall Girls Give Their Best

"Hey, good serve!" "Great spiking!" "Terrific bumping!" These are just a few of the many expressions you may have heard from the crowds at this year's J.V. and varsity volleyball games.

As usual, both the J.V. and varsity volleyball teams started practice in August. The J.V. volleyball team consisted of eleven returning and four new team members under the coaching of Mr. Larry Daines. They earned twelve wins and one loss. The hard work of the J.V. team led them to a first place victory over four other schools at the Cashton Invitational in October.

Home crowds came alive when the varsity volleyball team walked out of the locker rooms and onto the court. This year's varsity volleyball team consisted of thirteen players, including the six returning lettermen. The varsity girls' record was one win and twelve losses under the coaching of newcomer Mr. Ned Voss. Team members Kathy Bradley and Tammy Cook said, "Even though we didn't walk off the floor with many wins we always kept a positive outlook on the games ahead."

Royall Harriers

Despite few participants the cross country team did as well as expected this year, according to Coach Kirk Calkins. He said that as a team they did not score very well due to youth and inexperience, but that individual runners brought home strong, promising scores. The team had a total of fourteen members this season: nine girls and five boys.

Cross country members participated in many invitations around the region. Some of them were: Black River Falls, Brookwood, Richland Center, and Westby. Royall also hosted its own invitational in October.

Coach Calkins took the girls team to Sectionals this year. The girls did not place, but reported it was still a good experience.

Honored this year at the Fall Sports Award banquet for most valuable girls runner was Amy Krahenbuhl. Pete Warsaw was honored as most valuable boys runner even though he was unable to complete the season due to illness.

Panthers Dribble, Pass And Shoot Their Way To Tournaments

Alan Schachtely warming up.

The Panthers' 1985-86 basketball season came to an end with a record of 11-9 overall and 9-5 in conference. They finished strong, but couldn't clinch a regional title, as they lost 58-56 against North Crawford.

It was a team of strong players. Roy Brock led in scoring with 327 season points. The free throw trophy went to Jeff Turnipseed with 73.2% from the line; and Tom Sebranek was close behind with 72.3%.

The junior varsity started off slowly, but ended the season with a record of 6-11. Alan Schachtely and Scott Wright held duo positions on both the J.V. and varsity team.

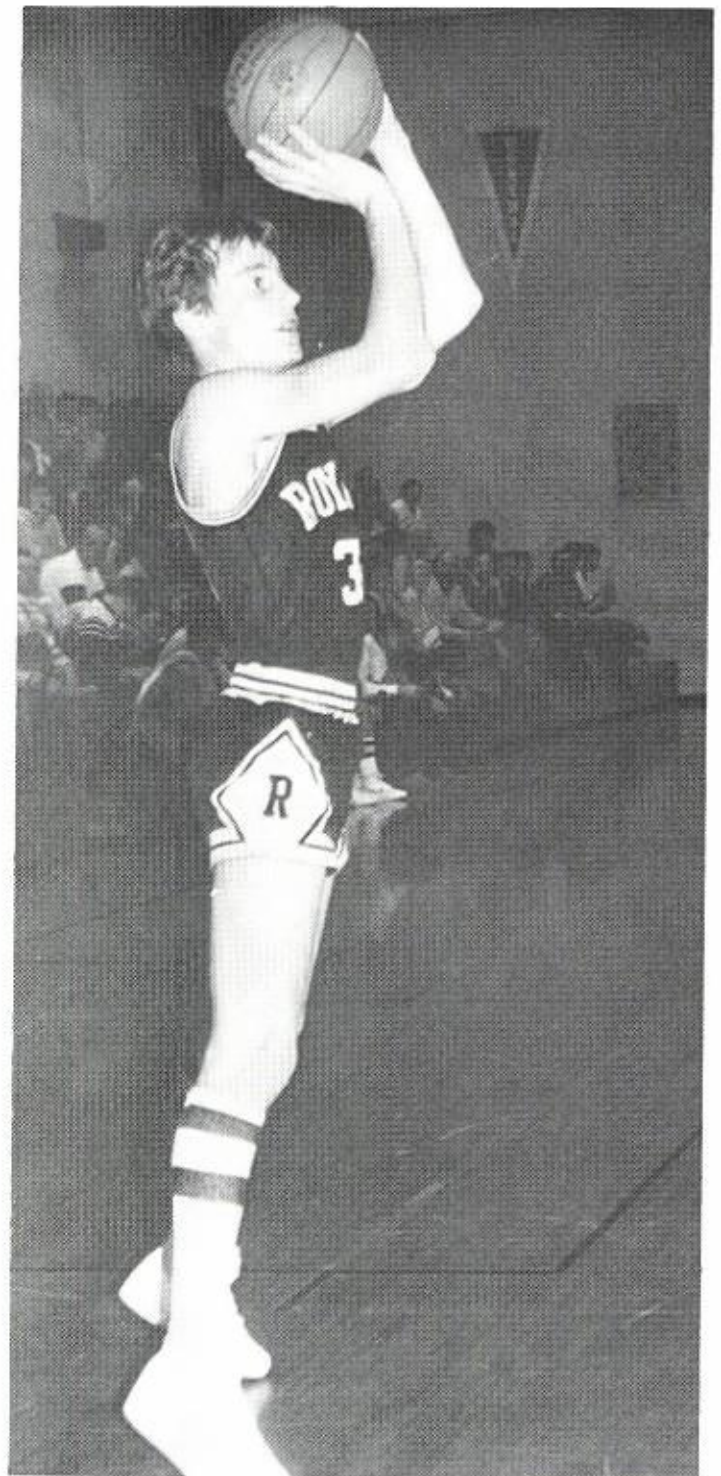

The freshmen struggled through a long season and finished with a record of 2-13. Their lack of size made scoring and rebounding a difficult battle.

Despite a disappointing varsity loss in the third regional game the players and fans agreed it was an exciting season while it lasted.

Royall Tumblers

Gymnastics underwent some major changes this year. Ed McDermott, former Royall student, became the new assistant coach. State and National committees made routine requirements harder in J.V. and varsity routines. According to Mrs. Strelow, the team's level of skill doubled by the

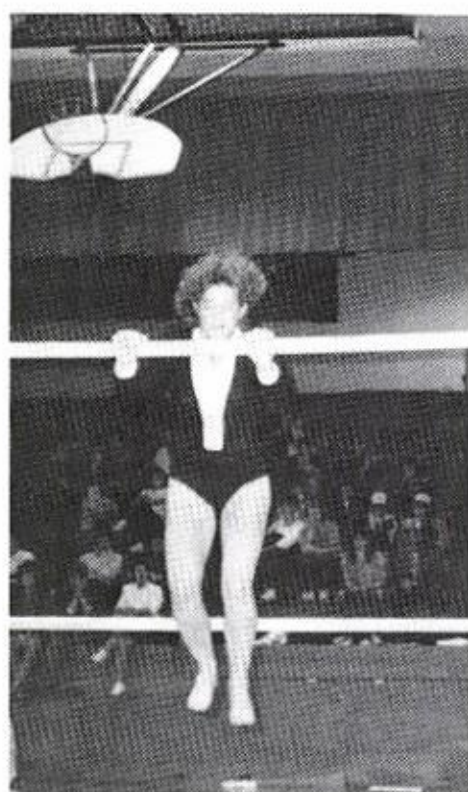

end of the season. Individuals on the team brought home three of the four first place medals at Conference. The McClullen Invitational was a highlight of the season when J.V. took second place and varsity fourth out of thirty-two teams.

The 85-86 Royall wrestling team had quite an exciting season. The team started practice late in November and the regular season ended February. Mark Gruen, Andy Tracy, and Curt Pollock all advanced to sectionals, but only Mark Gruen finally headed for state where he took fourth place in the

155 weight class. Even though Mark had an injured shoulder he did his best and it paid off. Although many seniors are leaving the team, there are still a number of returning underclassmen who are anxious to carry on the Royall wrestling tradition next year.

Lady Panthers Give Their All

Girls Basketball has grown by leaps and bounds. During the 1985-86 season a lot of improvements have been made. The girls had 8 wins and 11 losses in the season and earned 6 wins and 6 losses in the conference. The most valuable

defensive player was Stephanie Wick, and the most valuable player was Amber Houzner. Every year there are a number of girls who try out for the squad, which indicates a high enthusiasm and interest in girls basketball at Royall.

This year's football, wrestling, varsity and junior varsity basketball cheerleading squads worked especially hard, not just cheering on the home team, but also working toward improving their performances and participating in fund raising activities.

Fund raising included the selling of raffle tickets for season activity passes, and having bake sales. The profits were used to purchase new uniforms for football and basket-

ball cheerleading squads.

The girls attended cheerleading camp at Oshkosh, Wisconsin, where they learned many cheers and a new routine which they performed at basketball and wrestling meets.

There was also a new face among them: Miss Tagney, a teacher at the primary school, is the girls' new advisor. Participants agreed the season was fun and productive.

Winter Sports Awards

This year's winter sports awards banquet was held April 18th in the high school gymnasium. The banquet was sponsored by the Booster Club. Parents of the students who participated in a winter sport brought pot luck dishes. Sports that were honored were: boys and girls basketball, gymnastics, wrestling, and cheerleading. This year's banquet was a success due to the great turn-out of people who attended.

Roy Brock and Tom Sebranek, happy conference champs.

Wrestling: Mark Gruen, MVP, and State qualifier; Andy Tracy, Captain.

Boys Basketball: Jeff Turnipseed, Most Free Throws; Roy Brock, MVP; Tom Sebranek, Co-Captain.

Girls Basketball: Amber Houzner, Captain and Best Offense; Stephanie Wick, MVP and Best Defense.

Gymnastics: Jenny Bradley, Captain; Tammy Bruha, MVP; Jessica Thomas, Most Talented.

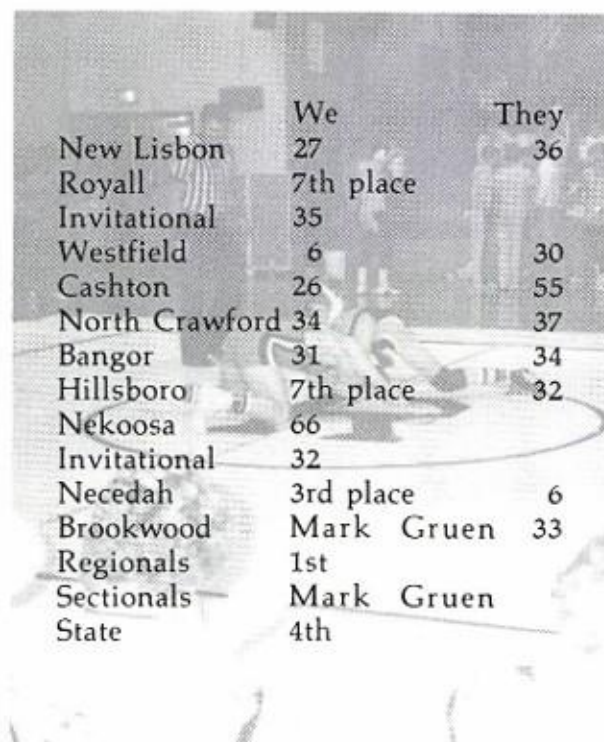

Shy award winners turn to avoid the camera.

The Royall Sluggers

The Royall sluggers started their season off with a scrimmage game against the Sparta Spartans on April 1st. Although they lost, it was a good offensive and defensive ball game.

The varsity's toughest competitor was the Wonewoc Indians. The junior varsity's toughest competitor was the Tomah Indians. The varsity ended their season fifth in the conference with 2 wins and 6 losses. The junior varsity ended their season with 3 wins and 6 losses.

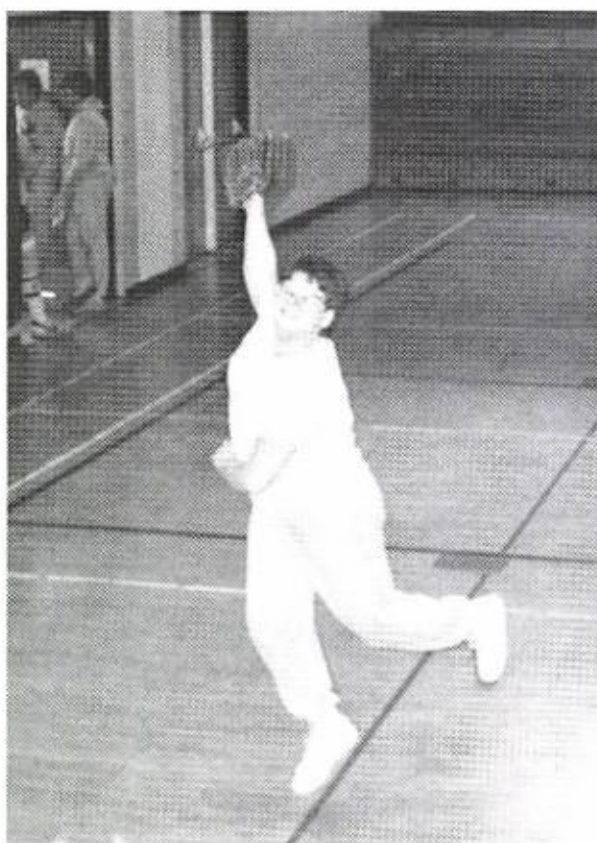

The weather did not contribute to this season's success. Two games were delayed early in the season due to rain. Also because of rain, some games had to be rescheduled as double headers. The wind was often so strong that it would pick up dirt from the infield, causing problems with visibility. The chilly temperatures were very uncomfortable for spectators as well as the players.

The girls varsity softball team was under new coaching. Roger Kalodrich was replaced by Daniel Dederling, who was the junior varsity coach. Players reported that Peter Brandt was a successful coach this season.

Boys Track Runs Hard

The Royall boys track team was jumping this year, with several strong achievements in field events.

High jumper Wayne Wilson cleared six feet. Tom Gosselin pole vaulted ten feet. And Pat Smith reigned as conference champ of the long jump.

Despite such highlights the seventeen member team, headed by coaches Flasher and Calkins, finished seventh out of seven in conference, a bleak comparison to the Royall undefeated status of 2 years ago.

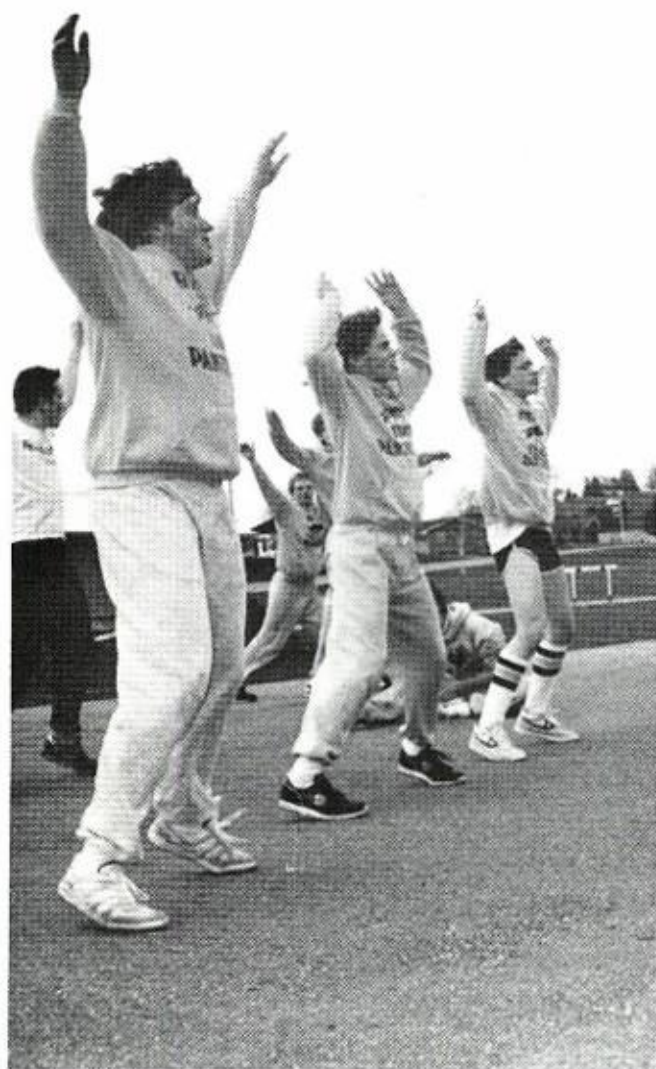

Such a change may be attributed to the team's inexperience, with only 4 returning members this year. The team lacked experience and depth, according to coach Flasher. However, attitudes were good, and the team put forth a unified effort.

Awards were presented to: Ben Thompson, Captain; Pat Smith, M.V.P. Field; and Dale Carey, M.V.P. Track.

Girls Track Team Gives Their All

The girls track team completed a very successful season. The weather did not help: first practices were run in the cold, followed by unseasonable heat. But the team stuck it out, and their hard work paid off.

It was a banner season for Royall as school records in the following events were broken: Amy Krahenbuhl: 300 meter low hurdles, and 400 meter run; Beth Clayton: Mile run. The mile relay team of Michelle Kranz, Kris Thompson, Missy Haney, and Amy Krahenbuhl broke their event's school record twice. Krahenbuhl and the relay team advanced to Sectionals.

Team awards went to: Amy Krahenbuhl, MVP running; Denise Wilde, MVP field. Captains were: Stephanie Wick and Renee Ambort.

Home Run

The Royall Panther baseball team had a rough season against tough competition this year, ending up with a record of 9 and 8.

There were few ups in the season with the pitchers giving up too many walks, and hitting being inconsistent. The highlight of the season was Pitcher Bruce Vieth throwing a no hitter, the 3rd one in the history of Royall High School.

The J.V. team showed a lot of potential for being an even better team next year, with a final record of 9 and 3.

Hole In One

The golf team at Royall High School has increased in size from past years. Golf, not a largely recognized sport at Royall has begun to arouse student interest.

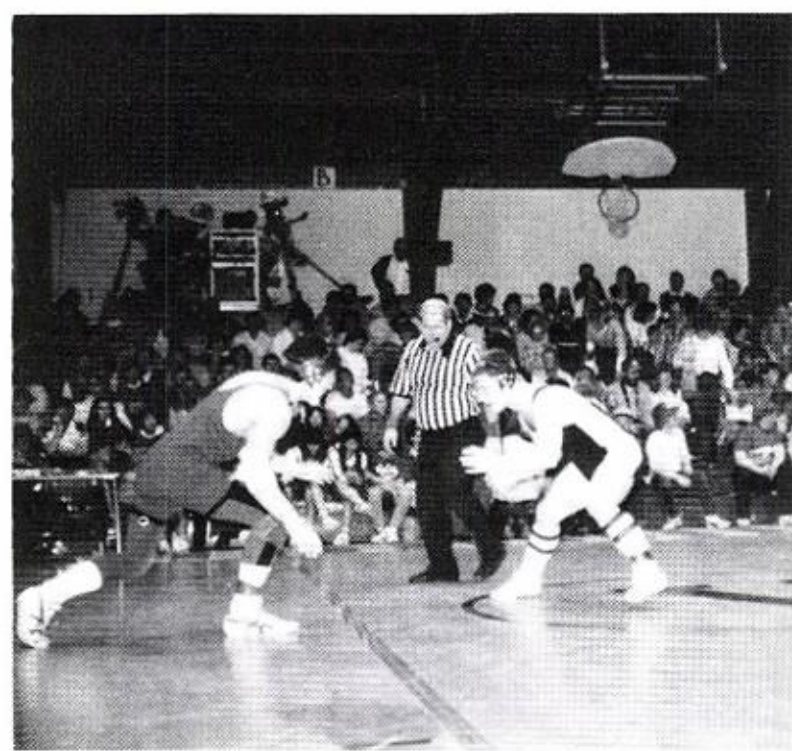

The weather this year was rainy and sometimes bitterly cold. But the faithful team members showed up for practice regardless. The team this year was led by Jens Neergaard Peterson, who is an outstanding golf player. But everyone on the team had their part in some of the wins.

Band Visits The Big Apple

Pop singer Huey Lewis sang that New York City is where you can do "half a million things" all by a quarter to three. Band members didn't keep late hours every night during their three day visit to the Big Apple, but it seemed as if they still saw half a million things. The band's first stop was a concert at an elementary school near Middletown, NY, where they were "well received" according to band director Mr. Ebbers. Once in New York City, they visited the United Nations Building, Statue of Liberty, Empire State Building, and the famous Macy's Department Store. Most of the group agreed that riding the subway was a unique experience. Evening entertainment included seeing the Broadway shows "Cats" and "Big River", and a ballet at the "Met" in Lincoln Center. When the chartered buses left New York City late Thursday, the tired band members curled up in their seats, went to sleep, and dreamed of being home.

"Cheaper By The Dozen" Success Despite Snow

Snow didn't stop cast members from performing the All School Play November 8 & 9, 1985 at Royall High School. Although there was a small crowd because of the season's first snow storm, the play was a huge success. The weather caused another slight difficulty: Jim Thew who portrayed Joe Scales was snowed in. Another cast member, Ron Brunner who portrayed Dr. Burton, drove his snow plow to Jim's house and brought him to school. Despite these problems, the cast had a great time putting the play on.

The play is based on a true story about a family of twelve children and a father who is one of the pioneers of industrial efficiency. Father decided to apply his methods of efficiency to his family for better organization at home. His oldest

daughter Anne rebels against him and they are both miserable at the lack of understanding between them. When Anne discovers that her father is dying she realizes the real reason for his actions. He dies leaving a sad but sound family.

In addition to cast members, people behind the scenes who helped the play run smoothly were:

Prom Sparks Spring Fever

On April 19, 1986, the class of eighty seven presented, "This Could Be The Night." Music for the junior prom was presented by Jammin Jimmy's Music and Fun Show. Prom colors of pink, gray, and lavender gave the gym a

springtime appearance.

The traditional grand march occurred to the music of Loverboy's "This Could Be The Night." The Prom of nineteen eighty six will be remembered by many.

Schmidt And Balder Reign Over Homecoming Events

Crownbearers Nancy Arndt and Rusty Chute

Students building floats, preparing skits and decorating the gym were just a few of the activities that took place the week of Homecoming 1985, September 23-28. The activities kicked off with spirit week. Dress up days included western, school color, sweats, dress up, and nerd day. Student Council led the daily activity period class competitions such as licorice eating, life saver race, tug-of-war, and the egg toss.

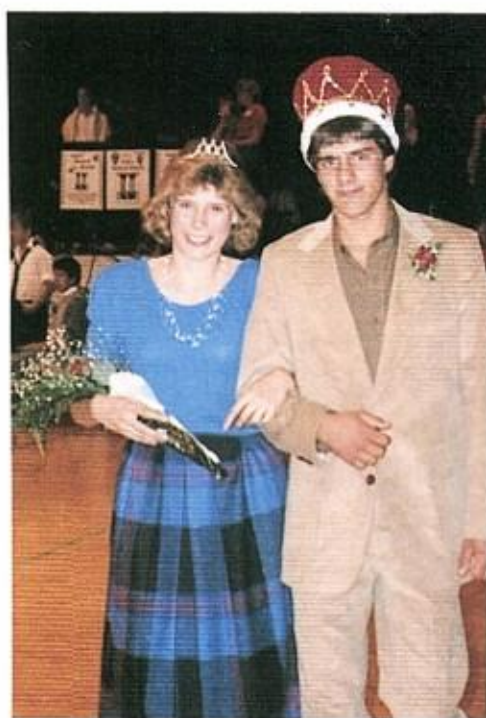

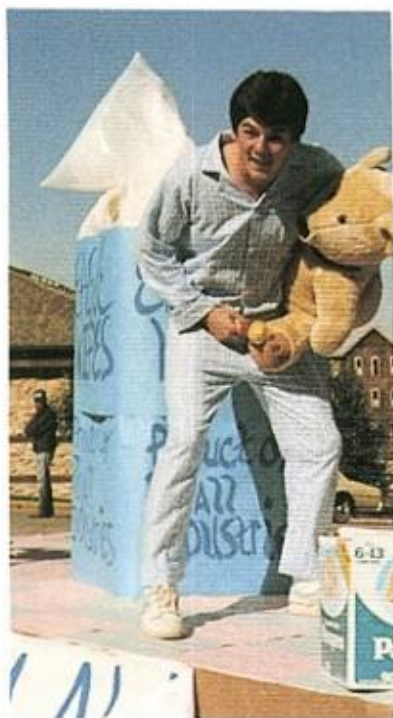

One could feel the intense excitement Thursday night as class and club skits were presented and game finals were played. Jello slurping was first. As each participant slurped, the gym echoed with screaming. Finally, junior Mark Gruen won. The tug-of-war finals found the sophomore and seniors facing off. Students gasped as the rope pulled one way, then the other until at last the sophomores won. The final event of the program was the crowning of King Todd Schmidt and Queen Jeanne Balder, who then led the student body down to the practice field for the

burning of the "C". Friday was highlighted by students scurrying to put finishing touches on class floats, and seniors decorating the gym. During lunch hour Scott Lee and Bruce Vieth's powder puff teams competed. In the end Vieth's team was victorious.

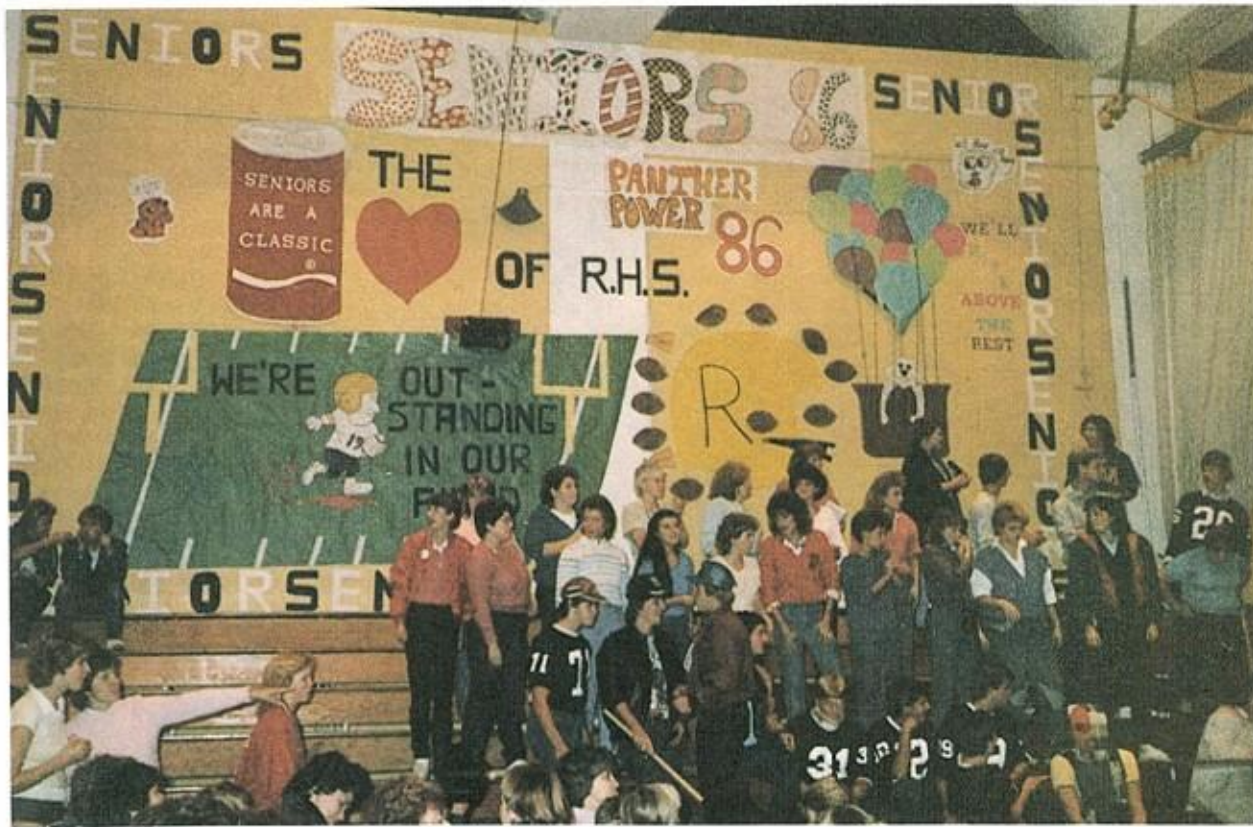

Warm sun and blue sky were the setting for the Homecoming parade as it passed through the crowded streets of Elroy. That night at the game the Panthers had a disappointing loss to the Cashton Eagles.

A western decor was the setting as students danced Saturday night. The disc jockey was an hour and a half late and seniors Wayne Wilson and Rich Murphy filled in on band stereo equipment until the D.J. arrived. The Grand March began at 10:30 to the theme song, "Never Surrender". Student Council president Carrie Hitchcock announced the junior class as the spirit trophy winner. By midnight the music ended, the gym was cleared and Homecoming 1985 was just a memory.

Winter Week

Winter came into the picture early this year. The first snowfall was in the beginning of November and the area received over five feet of snow during the season, remaining snow-covered until mid-March. Due to the ice and snow school was cancelled for four days.

Although the winter's weather kept many people indoors, the E-K-W community really heated up beginning the week of January 20th.

The high school's activities started with dress up days in preparation for a dance on Saturday. Saturday night the Senior class and Student Council sponsored a Turnabout dance at the high school; the music was provided free by Disc Jockey Gogi-Wheels due to an error at Homecoming. The following Friday before an away basketball game the AFS sponsored a spaghetti supper at Royall. The money earned at the supper was to go toward an upcoming club trip. Saturday morning brought a pancake breakfast sponsored by the band. After eating their fill, 200 participants of the area's Suldahl Classic ski race waxed up their skis and set out cross country to Mauston. Sunday afternoon the Booster Club hosted an alumni basketball game, followed by a game played between the E-K-W firemen and teachers. The week's activities lured local people out of hibernation, resulting in a good turnout to these events and a break in the winter.

Seniors Step Up And Out!

Senior preparation for graduation began with the Senior Girls Tea on April 21, 1986 at the Grace Lutheran Church Fellowship Hall. The tea was prepared for the senior girls by the Elroy Women's Club.

A month later on May 20, 1986 the Senior Banquet was held. The menu for the evening was salad, ham, baked potato, and cherry dessert, all prepared by John Weger and catered by the Royall High School Band. Entertainment for the evening was provided by the seniors with a skit about the senior class at their ten year reunion. After the skit the awards and schol-

arships were handed out.

Once the evening was over the seniors had to hurry home and get to bed so they could be ready for the long ride down to Gurnee, Illinois for the class trip to Great America. The buses left bright and early on May 21, 1986 for this exciting trip. The seniors returned home at midnight after a fun-filled day at the amusement park.

Graduation, the day which the seniors worked toward for four years, was on Friday, May 30, 1986. The day was sunny and warm, perfect weather for Royall's first ever outside graduation. On Friday

evening at 8:00 p.m. ninety-two seniors, the class of 1986, were presented to the audience as helium balloons were released, and a student "wave" swept across the graduates.

The class colors were blue, white and silver. Class flower was a rose, the class song was "Let's Celebrate," and the class motto was "Yesterday is a dream, and tomorrow is only a vision; but today well-lived, makes every yesterday a dream of happiness and every tomorrow a vision of hope." The senior class is wished hope and happiness always. They will be missed.

Patrons

The success of any yearbook depends on the contributions and support of many individuals.

The yearbook staff would like to express its gratitude to the many members of the community who made this year's Panther possible.

Students Honored For Scholastic Achievement

This page is dedicated to those students of Royall High School who have obtained at least a three point grade point average for the 1985-86 school year. The Scholastic Banquet was held on April 22. It is the only time students get recognition for their academic achieve-

ments. The three point grade point average was obtained through hard work and dedication on the student's part. Since a lot of effort was put forth, these students deserve the little recognition that this page gives them.

As I complete my final steps as editor of the Panther yearbook, I realize how much effort went into production of this project.

I also realize that no yearbook, no pictures can truly capture what transpires in the halls of this school. This book is a tribute to friends and moments shared here at Royall.

Special thanks are in order for: Fehrenbach Studios, which provided cheerful service and quality group photos; Damon Milner, our Jostens representative, who patiently coaxed a very new staff through difficult times; to that not-so-new anymore staff, especially Lisa Henze; to Ms. Stapleton, who was always going to be with me in "just a minute"; and finally, to my parents, Ken and Mary Cook, who tolerated my grievances and relieved me of some responsibilities at home so I could give attention to the yearbook.

Enjoy the book, and the memories. I will.
